

## PRESS RELEASE

### **INNIO Group receives EcoVadis Platinum Medal for third consecutive year**

- Awarded for exceptional sustainability and ESG practices.
- EcoVadis Platinum medal ranks INNIO Group among the top 1% of assessed companies globally.
- Fifth consecutive EcoVadis recognition and third platinum medal underscore INNIO Group's commitment to sustainability.

**JENBACH, Austria** – 20. August 2024 – INNIO Group, including all global legal entities, has been awarded the 2024 EcoVadis' Platinum medal for the third consecutive year. This award underscores INNIO Group's measurable ESG progress in categories such as environment, labor and human rights, ethics, and sustainable procurement. At the same time, it is a huge motivation for the entire INNIO Group team to continue their efforts to be at the forefront of sustainable growth. The Platinum medal places INNIO Group, along with its Jenbacher, Waukesha, and myPlant product lines, in the top 1% of more than 130,000 companies assessed globally.

This rating marks the fifth annual review cycle of INNIO Group by EcoVadis and is a testament to the company's consistent business and sustainability strategies. The award recognizes INNIO Group's robust sustainability program and reinforces its position as a leader in delivering innovative energy solutions and services for a climate-neutral future.

"Earning the EcoVadis Platinum medal for the third consecutive year is a major achievement," says Dr. Olaf Berlien, President and CEO of INNIO Group. "INNIO Group sets the right priorities. We drive innovation in energy and build trust and transparency along the entire value chain. Our aim is clear: climate neutrality. We are committed to being at the forefront of the sustainability conversation."

EcoVadis' annual assessment focuses on 21 criteria grouped into four themes: environment, labor and human rights, ethics, and sustainable procurement. These criteria are based on international sustainability standards, including the principles of the UN Global Compact, the conventions of the International Labour Organization, and the guidelines of the Global Reporting Initiative.

###

### **About INNIO Group**

INNIO Group is a leading energy solution and service provider that empowers industries and communities to make sustainable energy work today. With its Jenbacher and Waukesha product brands and its AI-powered myPlant digital platform, INNIO Group offers innovative solutions for the power generation and compression segments that help industries and communities generate and manage energy sustainably while navigating the fast-changing landscape of traditional and green energy sources. INNIO Group is individual in scope, but global in scale. With its flexible, scalable, and resilient energy solutions and services, INNIO Group enables its customers to manage the energy transition along the energy value chain wherever they are in their transition journey.

INNIO Group is headquartered in Jenbach (Austria), with other primary operations in Waukesha (Wisconsin, U.S.) and Welland (Ontario, Canada). Through a service network in more than 100 countries, a team of more

than 4,000 experts provides life-cycle support to the more than 57,000 engines that INNIO Group has delivered globally.

INNIO Group's ESG strategy has been recognized and awarded by esteemed rating agencies such as Sustainalytics and EcoVadis. Additionally, the company's near-term climate targets until 2030 have been validated by the Science Based Targets initiative (SBTi).
